

How Can I Help?

Kendall Ruth, CPA

“I enjoy helping clients connect how their daily decisions impact their operation’s overall financial performance.”

Growing up on a farm, Kendall Ruth understands the importance of agriculture in our community. Kendall integrates his accounting knowledge and interest in agriculture to provide valuable advisory and accounting solutions to producers and agri-business clients at Acuity.

As a Manager in our Agricultural Services Group, Kendall dedicates himself to knowing industry trends and issues that may impact our clients in this unique industry segment. Kendall performs a full range of accounting and advisory services including:

- Profit and cost center accounting systems
- Expansion analysis
- Farm transfer and succession planning
- Annual tax planning and tax return preparation
- Legal entity and entity structure evaluation

Kendall graduated from Eastern Mennonite University majoring in Business Administration with a minor in Accounting. A certified public accountant, Kendall is a member of the American and Pennsylvania Institutes of Certified Public Accountants.
