

Agriculture + Accounting = You.

If these statements resonate with you...

Understanding of Agriculture Industry. Training in accounting. A desire to solve problems.

Then consider joining the Acuity Ag team!

As an Acuity Ag Team member, you will provide compliance and tax services to clients, with a primary focus on developing expertise within a specific agriculture industry.

As a Team Member you will:

- * Utilize your accounting knowledge to assist in project completion
- * Become an industry professional and attend industry-leading events and trainings
- * Develop and train team members to help them build inspiring careers
- * Perform analytical reviews on financial accounts and identify trends
- * Work both independently and collaboratively across the team
- * Help the team navigate clients' challenges from tax to succession planning

What makes you an attractive candidate?

- * You are looking for a firm that values individual journeys
- * You jump at the chance to help others
- * You get excited about the Agriculture Industry
- * You have a knack for solving issues and confidently bring solutions to the table
- * You have a bachelor's degree in accounting or a related field
- * You are pursuing a CPA license

If you fit the team, the benefits include:

- * Company Paid Health Insurance
- * Profit sharing and 401K match
- * Competitive wages
- * Vacation and Personal Time
- * Opportunities for advancement
- * A team that enjoys working together
- * Connection and Impact with clients
- * Oh and Friday complimentary lunches during busy season

Interested? Please apply by sending your resume and cover letter to info@acuitycpas.com with Ag Accountant in the subject line.
