

Financial Statements + Tax Returns = Spring Internship

Desire to apply your accounting education across both tax and financial statements?

Desire to experience a consultative culture and approach at a local firm?

Desire to see the connection between Tax, Accounting and Client Service?

Then consider applying for Acuity's Spring Internship!

As a Spring Intern, you will assist our team members in compliance and tax services to clients, with a primary focus within our agriculture services team.

As an Intern you will:

- * Utilize your accounting knowledge to assist in project completion
- * Work both independently and collaboratively across the team
- * Experience preparing basic financial statements, business and individual tax returns
- * Learn various software within CCH, Microsoft Office, QuickBooks and more
- * Assist the processing team with initial and close out workflow

What makes you an attractive candidate?

- * You are looking for a firm that values individual journeys
- * You jump at the chance to help others
- * You get excited about the Agriculture Industry
- * You have an interest in working with both financial statements and tax returns
- * You can commit 24+ hours a week January through April

If you fit the team, the benefits include:

- * Competitive hourly wage
- * Opportunity to experience a small, local consultative culture accounting firm
- * A chance to learn more about yourself and the variety of work in the accounting field
- * Oh and Friday complimentary lunches during busy season

Interested? Please apply by sending your resume and cover letter to info@acuitycpas.com with Spring Internship in the subject line.
