

Accounting + Consulting + Personal Development = Summer Internship

Desire to apply your accounting education?

Desire to experience a consultative culture and approach at a local firm?

Desire to see a glimpse of different aspects of careers in accounting?

Then consider applying for Acuity's Summer Internship!

As an Acuity Summer Intern, you will experience various aspects of Acuity's service offerings in a weekly format with intentional personal growth components.

As an Intern you will:

- * Utilize your accounting knowledge to assist in project completion
- * Work both independently and collaboratively across the team
- * Experience contract services, consulting services and private accounting
- * Prepare basic financial statements, business and individual tax returns
- * Learn various software within CCH, Microsoft Office, QuickBooks and more
- * Gain understanding about your personality, strengths, thought process and what energizes you

What makes you an attractive candidate?

- * You have a demonstrated work ethic and intellectual capability
- * You embrace challenge *OR* enjoy the routine task
- * You get excited about connecting with people *OR* by mastering a technical area
- * You are enthusiastic and energetic with a desire to learn
- * You ideally are between your Junior and Senior year
- * You can commit to 4 days for 7 weeks from June to August

If you fit the team, the benefits include:

- * Competitive hourly wage
- * Opportunity to experience a small, local consultative culture accounting firm
- * A chance to learn more about yourself and the variety of work in the accounting field

Interested? Please apply by sending your resume and cover letter to info@acuitycpas.com with Summer Internship in the subject line.
