

As a **payroll services lead** with Acuity Advisors and CPAs, you will utilize payroll expertise to collaborate with client service teams to provide complete services to clients. In addition, you will lead and develop the firm's payroll team and incorporate technology advancement solutions and payroll knowledge build out.

If this resonates with you then consider joining the Acuity team!

As an Acuity Team Member you will:

- * Utilize your payroll knowledge to assist client relationship teams in payroll questions, compliance, and solutions
- * Lead, develop and delegate to additional payroll services team members
- * Stay current on payroll law, technologies and compliance solutions
- * Work both independently and collaboratively across the teams
- * Provide trainings to internally and externally
- * Be the knowledge expert in all things payroll related

What makes you an attractive candidate?

- * You are looking for a firm that values people, excellence and creativity
- * You appreciate a holistic approach to client service while collaborating with others
- * You have a knack for teaching clients and developing others
- * You can manage multiple priorities
- * You have a strong work ethic, plenty of patience and a problem solver
- * You see details and accuracy as of utmost importance
- * You handle communication in various channels with ease
- * You enjoy knowing your fellow team members with in person, on location work

If you fit the team, the benefits include:

- * Finding reward in providing expert knowledge and help to fantastic clients and team members
- * Opportunities to have input and leadership in team build out
- * Impact family owned and closely held businesses to create a stronger community
- * Working with a team that cares about you and your holistic development
- * Competitive wage, PTO benefits, Company Paid Health Insurance, profit sharing and 401K match
- * And Ask us about Friday lunches
